Greetings,

It is with great pleasure that I join you in celebrating August as "Korea Month." While August is a special time to honor and celebrate the contributions of Korean Americans, their impact is felt everyday throughout our state.

Since their immigration to the United States 109 years ago, Korean-Americans have provided our communities with immeasurable value. Their contributions to the social and economic fabrics of our community are not to be taken for granted. I am proud of our state's diversity and that so many distinctive people call it home.

I applaud the Institute for Korean-American Studies for their continued efforts to promote relations and conduct activities that enhance peace and prosperity. I also applaud all of you for participating in this honorable evening.

Sincerely,

Robert A. Brady
Member of Congress
