ICAS Liberty Tennis Classic 2013
Legacy Youth Tennis and Education Center
4842 Ridge Avenue
Philadelphia, PA 19129

Dear Friends and Participants:

It gives me great pleasure to welcome all participants to the ICAS Liberty Tennis Classic 2013 hosted by the Institute for Corean-American Studies, Inc., in partnership with Legacy Youth Tennis and Education Center. I would also like to thank and recognize this year's host committee and volunteers for a fantastic job in planning the event.

The ICAS' mission is to promote relationships and conduct activities that enhance cooperation and to pursue peace and prosperity with people of mutual interests, especially multilateral relationships between the United States and Asia-Pacific rim nations. The ICAS depends on private donations therefore today's event is crucial to continuing the activities and mission of the ICAS.

Legacy Youth Tennis & Education Center, previously known as the Arthur Ashe Youth Tennis and Education Center, is inspired by the life of Arthur Ashe and continues to expand their programming to reflect Arthur Ashe's legacy. Legacy Youth Tennis & Education Center's mission is dedicated to preparing young people, especially those from under-resourced families and communities, for success as individuals and as active, responsible citizens through innovative tennis, education, life skills, and leadership development programming. Together ICAS and Legacy Youth Tennis & Education Center are making a difference in many lives throughout our community, the United States and the world.

Again, I would like to welcome everyone to this year's event and wish all the participants a great tennis match!

Sincerely,

Pat Toomey
U.S. Senator
