Dear ICAS leaders and supporters,

While I regret I cannot make it to the ICAS Liberty Tennis Classic this year, I would like to express how honored I am to serve as Honorary Co-Chair of this event's Host Committee. Thank you for including me and for your dedication to the cause of providing quality education to young people.

I would also like to offer congratulations to the winners and all of the participants in this year's competition. Thank you for making this event a success!

Sincerely,

Jim Gerlach
Congressman
