Greetings Mr. Kim and the ICAS Liberty Tennis Classic Invitational.

As Vice Chair of the Board of Commissioners for Montgomery County, I know first hand the positive role that the Korean-American community plays in our county.

The ICAS Liberty Tennis Classic is rapidly becoming a fixture in the Montgomery County region. I look forward to its continued growth.

I apologize that my schedule would not permit my attendance. However, I have fond memories of last year's tournament in which my son participated.

Please extend my best wishes to everyone involved with the Invitational.

My best regards.
