Dear Admiral Blair,

Congratulations on receiving the ICAS Liberty Foundation Award. You've been a mentor to me and a strong supporter of Pacific Command. I'm sorry that I could not be there to attend the dinner to see you receive this prestigious award. I can think of no finer individual deserving of such an honor. Your continued service to our country in the national security arena has set a high bar for all of us.

Congratulations on the award. I look forward to congratulating you in person, soon.

Sincerely, *and Very Respectfully,*
