Dear Dr. Hamre,

Congratulations on receiving the ICAS Liberty Foundation Award. I'm sorry that I can't be there to attend the dinner to see you receive this prestigious award. I can think of no finer individual deserving of such an honor. Your continued service to our country in the national security arena has set a high bar for all of us.

Congratulations on this significant award. I look forward to congratulating you in person, soon.

Sincerely and Very Respectfully,

HARRY B. HARRIS, JR.
