Dear Friends:

On behalf of the Fairfax County Board of Supervisors, I'd like to take this opportunity to welcome you to the Institute for Corean-American Studies (ICAS) Summer Symposium. This event, in partnership with George Mason University's Center for Korean Studies and The Korea Times, will examine the issues and challenges facing the Korean-American Community.

This year's theme of "The Korean Diaspora" is close to the hearts of many in Fairfax County. Korean-Americans make up the largest minority population in Fairfax County. The challenges faced by the Korean-American community are issues felt throughout our region. In understanding these important issues and identifying strategies and solutions, we build a greater Fairfax County for all.

Again, welcome to the ICAS' Summer Symposium on the Korean Diaspora. Congratulations to the ICAS' on organizing this invaluable event, and best wishes for continued success.

Sincerely,

Sharon Bulova
Chairman
